According to which 419TMC of water is given to Tamil Nadu and 282TMC of water to Karnataka. Karnataka was order to release more water to Tamil Nadu.

# Cambridge International School Celebrated Independence day online

This year, it was impossible to celebrate Independence Day, due to covid-19, therefore our school decided to celebrate it online. In this online event our respected Principal ma'am, Mrs Sudha Mahajan and our respected chairman sir Mr. Rajeev Sharma and our respected teachers and students were present in this online event for celebrating this auspicious day. Many children performed dance, sung music, and Ojaswini Sachdeva wrote a poem on azaadi. At last everyone present in this online event sung our nation anthem.

## Test yourself

- 1) Who invented the letter zero?
- 2) How many straight edges does a cube have?
- 3) What is the total number of dots on a dice
- 4) How many seconds are there in a hour?
- 5) Which first electric item did Thomas and Edison invent?

# 9 YEARS WITH YOU

(Dedicated to all my teachers)

I was two and a half when I came to you,  
I didn't even know how to clean my poo.  
You were the ones, who wiped my tears,  
When as a young one I missed my dears.

You tended me so that I could bloom,  
You held my hand so that I could touch the  
Moon.

You made me read, write and sing,  
You made me believe that I could do everything  
You made me learn numbers and logic,  
You taught me words that did magic.

You put music in my life,

You taught me how to strive.

For nine years I have been with you

I wrote this poem just for you.

To tell you how much I love you.

This was my summary of nine years with you.

Let me tell you one more thing

Now.....I know how to clean my poo.
