

Curriculum
Subject: Art
Class: V
Session-2026-27

	April	May	June
Contents	<ul style="list-style-type: none"> Doodling, Colour wheel and Schemes 	<ul style="list-style-type: none"> Pencil shading, Pet Puppy 	<ul style="list-style-type: none"> Scratched art, Warli art,
Learning Outcomes	Students will be able to <ul style="list-style-type: none"> Classify the basics technique of drawing or Colouring and knowledge about colour. 	Students will be able to <ul style="list-style-type: none"> Understand light and shadow to create depth and realism Build confidence in drawing 	Students will be able to <ul style="list-style-type: none"> Learn traditional art styles and cultural heritage Build patience and precision while working on detailed artwork.
Methodology	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration
Skills	<ul style="list-style-type: none"> Drawing and colouring techniques Observation and visual analysis Hand-eye coordination Fine motor development Creativity and imagination 	<ul style="list-style-type: none"> Pencil shading techniques Understanding of light and shadow Form and proportion drawing Texture creation Hand-eye coordination Visual representation skills 	<ul style="list-style-type: none"> Scratch art techniques Pattern making and detailing Traditional art representation Fine motor coordination Texture and contrast creation
Cross-cutting themes	<ul style="list-style-type: none"> Colour recognition and application Emotional development through creative expression Concentration and patience Cognitive development through observation Aesthetic appreciation Self-confidence in artistic work 	<ul style="list-style-type: none"> Patience and concentration Creative and imaginative thinking Observation and analytical ability Confidence building through drawing practice Cultural and aesthetic awareness 	<ul style="list-style-type: none"> Use of simple shapes and figures Appreciation of cultural heritage Patience and precision in artwork Creativity and visual storytelling Observation and concentration Awareness of traditional Indian art forms
Assessment	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics 	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics 	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics
Integrated with	<ul style="list-style-type: none"> EVS, Math, GK. 	<ul style="list-style-type: none"> Math (Geometry), GK. 	<ul style="list-style-type: none"> History, EVS,
	July	August	September
Contents	<ul style="list-style-type: none"> Optical illusion art, Paper craft, 	<ul style="list-style-type: none"> Poster colours, Calligraphy, Quilled snail (craft) 	<ul style="list-style-type: none"> Cartooning, Pointillism
Learning Outcomes	Students will be able to <ul style="list-style-type: none"> Create craft paper leaves and draw different views. Develop skills in creating depth, movement, and 3D effects on a flat surface. 	Students will be able to <ul style="list-style-type: none"> Develop neat and aesthetically pleasing handwriting styles. Learn colour mixing, blending, and application techniques. 	Students will be able to <ul style="list-style-type: none"> Improve creativity and imagination in visual storytelling. Understand the technique of creating images using small dots of color.

Methodology	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration
Skills	<ul style="list-style-type: none"> Paper folding and crafting techniques Understanding shapes, lines, and depth 2D to 3D visualization skills Cutting, folding, and pasting skills Spatial awareness and composition Observation and creative thinking 	<ul style="list-style-type: none"> Colour mixing and blending techniques Calligraphy and lettering skills Layout and spacing understanding Paper quilling techniques Fine motor coordination Visual balance and composition skills 	<ul style="list-style-type: none"> Cartoon character drawing Dot painting techniques Visual storytelling Imaginative illustration Colour application and detailing Composition and layout skill.
Cross-cutting themes	<ul style="list-style-type: none"> Emotional and social development Concentration and patience Cognitive development through visual perception Creativity and innovation Problem-solving and critical thinking 	<ul style="list-style-type: none"> Emotional and social development Patience and concentration Creativity and visual expression Aesthetic appreciation Cognitive development through design and composition 	<ul style="list-style-type: none"> Creativity and imagination Observation and interpretation Patience and precision Confidence in self-expression Appreciation of different art styles
Assessments	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics 	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics 	<ul style="list-style-type: none"> Live individual performance. Class etiquettes and ethics
Integrated with	<ul style="list-style-type: none"> EVS. 	<ul style="list-style-type: none"> EVS, Language. 	<ul style="list-style-type: none"> S.ST, Math

	October	November	December	Jan/Feb
Contents	<ul style="list-style-type: none"> Craft Work, Book marks, collage making 	<ul style="list-style-type: none"> Abstract art, Doodled leaf 	<ul style="list-style-type: none"> Texture art, Bubble art, Mosaic-style (Drawing). 	<ul style="list-style-type: none"> Revision for all topics & pending work.
Learning Outcomes	Students will be able to <ul style="list-style-type: none"> Draw nature or create Craft. Learn to arrange and paste different materials creatively. 	Students will be able to <ul style="list-style-type: none"> Develop creativity and imagination without focusing on exact representation. Understand balance and symmetry in decorative art. 	Students will be able to <ul style="list-style-type: none"> Learn to create images using small pieces (tiles, paper, etc.). Explore creative techniques using bubbles for painting effects. 	Students will be able to <ul style="list-style-type: none"> Create drawing and origami.
Methodology	<ul style="list-style-type: none"> Teacher will give the students live Demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give the students live demonstration Smart Class demonstration 	<ul style="list-style-type: none"> Teacher will give them live demonstration Smart class demonstration
Skills	<ul style="list-style-type: none"> Craft making and collage techniques Cutting, pasting, and arranging materials Creative composition and design Fine motor coordination Visual 	<ul style="list-style-type: none"> Abstract drawing and doodling techniques Creative visual expression Balance and symmetry in design Fine motor coordination Pattern creation 	<ul style="list-style-type: none"> Texture creation techniques Bubble painting techniques Mosaic pattern designing Repetition and pattern recognition Fine motor coordination Composition and 	<ul style="list-style-type: none"> Revision helps students recall and strengthen previously learned concepts, techniques, and skills across all art forms.

	<p>organization skills</p> <ul style="list-style-type: none"> • Nature-inspired drawing and decoration 	<p>and detailing skills</p> <ul style="list-style-type: none"> • Experimental art skills 	<p>arrangement skills</p>	
Cross-cutting themes	<ul style="list-style-type: none"> • Emotional and social development • Creativity and imagination • Concentration and patience • Observation and cognitive development • Appreciation of handmade art and craft 	<ul style="list-style-type: none"> • Emotional and social development • Creativity and imagination • Observation and analytical thinking • Appreciation of diverse art forms • Confidence in self-expression 	<ul style="list-style-type: none"> • Emotional and social development • Observation and concentration • Creativity and experimentation • Cognitive development through pattern recognition • Patience and precision 	
Assessments	<ul style="list-style-type: none"> • Live individual performance. • Class etiquettes and ethics 	<ul style="list-style-type: none"> • Live individual performance. • Class etiquettes and ethics 	<ul style="list-style-type: none"> • Live individual performance. • Class etiquettes and ethics 	<ul style="list-style-type: none"> • Live individual performance. • Class etiquettes and ethics
Integrated with	EVS, Science (Earth, sun, moon), SST (Drawing of the earth).	Math.	<ul style="list-style-type: none"> • Science, Math
