Annual Report

2022-23

www.cisk.co.in

The Annual Report of Cambridge International School Mohal, Kullu articulates and demonstrates the dynamic nature of our school and our commitment to excellence. The report also provides some ideas about the way resources have been used to provide quality teaching and learning environments for our children. The school collectively has an enthusiastic and dedicated team of 43 teachers in the Senior Secondary, Secondary, Primary, and the Pre-Primary sections. In addition, we have Non-Teaching and Supporting staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Innovation is the change that unlocks new value which leads to success. The school continues to strive towards innovation and for that, the latest practices in the field of education are being continuously incorporated.

Our Shared Beliefs on Teaching and Learning

- Children learn in an environment that is inclusive, safe and where they feel valued and supported.
- Learning experiences should respect and accommodate differences between learners.
- Parents, teachers, and students share common goals, interact positively, and are mutually supportive.

- Learning should be meaningful, enjoyable, relevant, and consistent with the background of the student.
- Parents and teachers work in partnership to develop students who are independent, self-reflective, and responsible students.
- Parents, teachers, and students share and actively promote essential community values.

ACADEMICS

Academics is the core focus of our school. All the possible efforts have been taken and, we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hallmark of our school, as a good institution. We are proud to report that 2021-22 batch of X and XII Standard students have brought laurels to the school through their excellent results. We achieved 100% results in CBSE class X and XII examinations. This was possible because of the continuous efforts of the dedicated staff, by taking extra classes and other remedial measures to improve them.

Let us have a glance towards the toppers of the Cambridge International School Mohal, Kullu Session 2022-23.

FULFILLING OUR SOCIAL RESPONSIBILITY – “We Learn to Serve”

Social responsibility is an ethical theory in which individuals are accountable for fulfilling their civic duty, and the actions of an individual must benefit the whole of society. In this way, there must be a balance between economic growth and the welfare of society and the environment. ‘The best way to find yourself is to lose yourself in the service of others.’

It is important for the children to realize how privileged they are to have wonderful parents like you. The school conducted social responsibility camps during the year for the children to realize the importance of sharing and helping. Some eatables were distributed to the old age home in the city by the students of class IX and X. Fund collection drive was conducted for the foundation for Communal Harmony Campaign activity and Armed forces flag day 2022, A school fete was organized by the students of classes VII to XII, the money collected was distributed to the red cross, old age home, and the orphanage home. The school junior red cross unit also organized a blood donation camp on the fete day.
